My dad, Vicente Ochoa, Sr. was diagnosed with ALS (Lou Gehrig's Disease) over 2 years ago. Above his struggles he places God first in his life. He does not show any signs of giving up and refuses for this deadly disease to keep him down. Although he has to have assistance to get up every morning, by most afternoons he is at his shop, Vince's Radiator Service. I invite you to join "The 8a Fighters" team on Saturday, September 26, 2015 at The Petroleum Museum, 1500 W. Interstate 20, for the 2015 PERMIAN BASIN ALS WALK. You may walk in honor or memory of a loved one or if you know of someone that has been diagnosed with this disease as well feel free to invite them to the walk. Or if you would simply like to show your support to my dad come out and walk with the team.

Registration begins at 9:00 am. The walk will take place at 10:00.

If you would like to make a donation to help the ALS Association, feel free to go to my website where you may also read a little bit about my dad and find out more about ALS:

Thank you for your support.

Melissa Ochoa- Parish Administrator

Dear Holy Trinity,

What a blessing you all have been to me and my family the past 3 years. I give thanks for your kindness, grace, generosity and love that you have shown me personally and as your priest. The generous and gracious words that were bestowed upon me this past Sunday offered me joyful tears of gratitude (and my make-up stayed in place ☺). I look forward to serving with Father David and continuing in my service as your Associate Rector.
